By Alexkun1999

Hurry!!!
They told us that is a real emergency
Ambulance
Almost 30 persons are severly injured!!!
I know it, but we can't go faster

Uh...
Holy Shit!!!
This is serious
Looks like many of them, have lost too much blood.
the floor is a blood lake!!!
Quickly!!!
Bring more
stretchers
I'm on it

Thank God, the other ambulances arrived, this is the last one
He is in better condition than the others.
What's that?

A light?...
But how I died?...
Am I dead?...
I can't remember anything...
Wait... it's not a light...it's an eye...and a nose...Is it a face?
Could it be...my face?
Am I watching myself?
Is this my inner self?
Shut Up!
I'm not you

Then...who are you?
I have no name

I'm called
the black
one

Ok, I got it...
But I want to know, why are
you in my head?
What's happening?
Am I dead?
How I died?

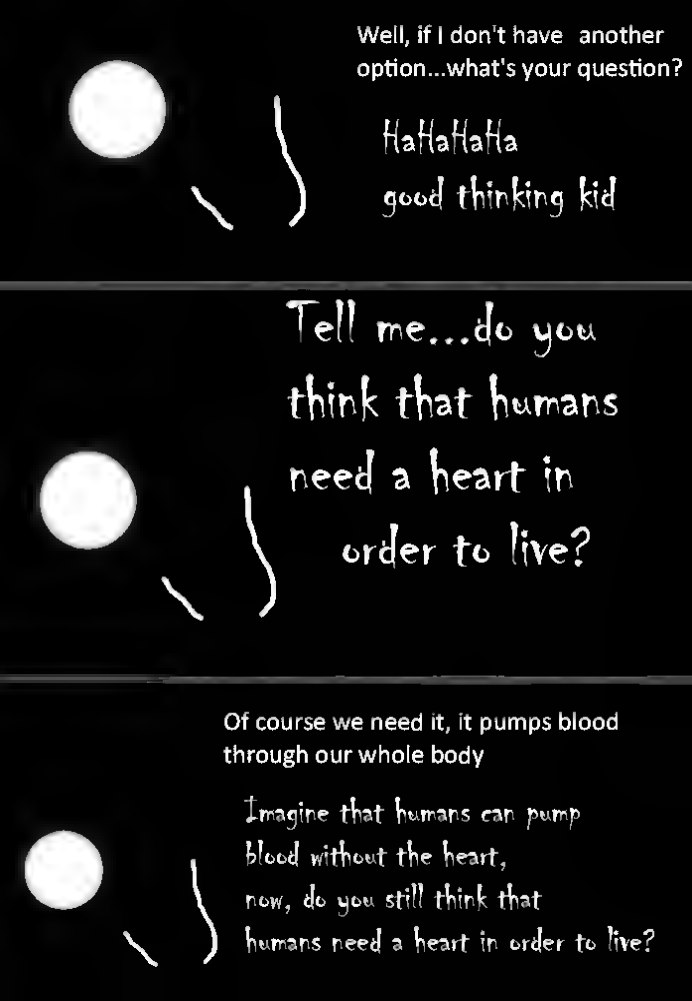
WE NEED TO GO TO THE HOSPITAL AS SOON AS POSIBLE!!

From who is that voice?

That voice is from the paramedic

Paramedic? So am I dead?
Or severly injured? What happened?

You don't answered me my questions
Why should I answer you?
You're really pissing me off
And what makes you think that you don't?
OH NO!!! THIS IS BAD, THEIR INTERNAL ORGANS ARE VERY DAMAGED
SO THEY ARE DYING FROM THE INSIDE? BUT THEY DON'T HAVE ANY WOUND
What???!!! So really I'm dying!!! What the fuck happened???!!!
HAHAHAHA!!!
Stupid kid, let's make a deal I'll tell you what happened if you answer my question



Well, if I don't have another option...what's your question?
HaHaHaHa
good thinking kid
Tell me...do you think that humans need a heart in order to live?
Of course we need it, it pumps blood through our whole body
Imagine that humans can pump blood without the heart,
now, do you still think that humans need a heart in order to live?

If that's the case...then I think that we won't need it anymore...
I answered you, now answer my questions!
HAHAHAHA
HAHAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
Those were the words I came to hear, kid
I'll keep my promise...
You aren't dead

HURRY!!! WE DON'T HAVE ENOUGH TIME!!!
THE BLOOD LOSS...WE CAN'T STOP IT!!!

WHERE IS THE WOUND?

IS INSIDE HIM

BUT WHERE?

WE DON'T KNOW, THIS IS SO WEIRD

Looks like your time is over kid

Dead...what a shame...my life was so boring till the end

Death isn't the end to everyone

Good bye, kid

HE HAS NO PULSE!!!
HIS BRAIN ACTIVITY IS DECREASING!!!

Good bye...life...my boring life...

This feeling...

I'm feeling cold...

Wait...

He said that...

I wasn't dead...

So am I alive...

What the hell
is happening???!!!

I was sleeping in the classroom

I don't understand nothing

First of all...

Who was that thing? Was real?

Where am I?...

I don't know if I am alive....

Maybe this is only a dream...

Am I wandering through my memories, through my mind ....

Even my death is boring ....

Fuck this ...

HEY!!!

AWAKE?
From who is that voice?
Seems familiar...
HEY RODRIGO!!!
WAKE UP!!!
That voice...Luis!!!
LOOK!!!
HE IS OPENING HIS EYES!!!
